

Paloma Dead Sea Ltd. is a leading manufacturer of Dead Sea cosmetic and therapeutic products.

Hilton International, Wella Cosmetics and Walgreens are only a few of our satisfied clients. Our products are acknowledged worldwide as being of the finest quality at competitive prices.

In 1982, Mr. Eli Segev, Paloma's founder, created the first company in Israel to produce hygienic and therapeutic products based on the Dead Sea salts, minerals and black mud. Uncompromising quality, an innovative spirit and hard work have positioned Paloma Dead Sea as a leader in the Natural Health and Beauty Products industry. Today, under the brand name, Jericho Cosmetics, our Dead Sea products are used by millions of satisfied customers around the world.

For professional and home spas. Our products are easy to use. Treat your customers with the best spa products combining Dead Sea minerals and mud.

### Bath Salts Natural & Scented

Jericho mineral-rich Dead Sea Salt comes in fine, medium and crystal size, and in a variety of scents. Just pour salt into warm running water. Soak and relax in the bathtub for 20 minutes. Great before bedtime.

### Black Mud

Rich dark mud from the shores of the Dead Sea for body and facial treatments.

### Salt Scrubs

Energizing or relaxing salt scrubs combining Dead Sea minerals with aromatic oils, to buff away dead skin cells while leaving your skin velvety smooth.

### Exfoliating Facial Mask

The concentrated blend of Walnut Shell powder, Jojoba Oil and Chamomile Extract cleanses, refines and rejuvenates the skin. The Dead Sea salts and minerals remove impurities that dull the natural glow of your skin.

### Peel-off Mud and Peel-off Mineral Masks

Formulated for all skin types, the masks tone and firm the skin, removing dead cells and giving your skin a healthy look. The masks are rich in Dead Sea black mud known for its therapeutic and healing powers.

### Relaxing & Energizing Mud Wraps

Jericho mud wraps draw impurities out of the skin, helping to visually slenderize and contour your body shape and visibly tighten the skin. The mud wraps are recommended for professional use only.

### Anti-cellulite Gel

An advanced product to help fight off cellulite. The gel is based on an innovative formula that consists of Dead Sea minerals and natural extracts of Guarana and Horse Chesnut, known for their ability to dissolve fatty tissue.

### Body Butter

This thick luxurious cream combines Shea Butter, Dead Sea minerals and natural oils that soften and revitalize the skin. Fortified with Jojoba oil and Rose Hip oil, the cream increases and maintains the moisture in your skin.

### Purifying Mud Mask

Formulated with Dead Sea black mud and Bees wax, this mask boosts cell renewal, revitalizes the skin and softens the pores. Additional aromatic Lavender and Avocado oils calm, sooth and moisturize the skin.

### Foaming Body Scrub and Foaming Facial Scrub

Innovative foaming gels with natural peeling grains to clean and moisturize the skin. Dead Sea minerals and vitamin C give the skin a radiant and healthy look, and Chamomile extract softens and calms the skin.

### Massage Oils

A wide range of soothing, gentle and, sensual Massage Oils relieve pain caused by exhausted and fatigued muscles, as well as deepen the massage experience. Composed of natural oils, fragrances and Vitamin E.
